PART 5 FIVE

RANMA 1/2—

YIN AND YANG WAS NEVER SO MUCH FUN!™

Meet the Tendos: your average, run-of-the-mill Japanese family. Along with his three lovely young daughters—Akane, Nabiki, and Kasumi—patriarch Soun Tendo is the proud owner of the "Tendo Anything-Goes Martial Arts Training Hall," where literally anything can and will happen.

When old friend Genma Saotome comes for a visit, it seems the long-awaited formal betrothal between one of the Tendo girls and Genma's teenaged son Ranma will finally take place. Youngest daughter Akane—who says she hates boys—is nominated by her sisters for bridal duty.

Unfortunately, Ranma and his father suffered a strange accident on a recent martial arts training trip in China. They both plunged into one of many "accursed" springs which transform the unlucky swimmer into whoever—or whatever—drowned there hundreds of years ago.

From now on, a splash of cold water turns Ranma's father into a furry giant panda, and Ranma, well, Ranma becomes a beautiful, busty young woman. Hot water reverses the effect—but only until the next time.

Name: SHAMPOO
Identity: CHINESE AMAZON/CAT
Notes: Shampoo is madly in love with Ranma. When doused with cold water she transforms into a cute pussycat—her local felines are Ranma's one phobia!

Name: COLOGNE
Identity: SHAMPOO'S GREAT-GRANDMOTHER
Notes: Cologne is more than happy to help Shampoo smash the boy of her dreams.

PART 7 FIVE

RANMA 1/2—

YIN AND YANG WAS NEVER SO MUCH FUN!™

Meet the Tendos: your average run-of-the-mill Japanese family. Along with his three lovely young daughters—Akane, Nabiki and Kasumi—patriarch Soun Tendo is the proud owner of the "Tendo Anything-Goes Martial Arts Training Hall," where literally anything can and will happen.

When old friend Genma Saotome comes for a visit, it seems the long-awaited formal betrothal between one of the Tendo girls and Genma's teenaged son Ranma will finally take place. Youngest daughter Akane—who says she hates boys—is nominated by her sisters for bridal duty.

Unfortunately, Ranma and his father suffered a strange accident on a recent martial arts training trip in China. They both plunged into one all marry "accursed" springs which transform the unlucky swimmer into whoever—or whatever—drowned there hundreds of years ago.

From now on, a splash of cold water turns Ranma's father into a furry, giant panda, and Ranma, well, Ranma becomes a beautiful, busty young woman. Hot water reverses the effect—but only until the next time.

Name: **SHAMPOO**
Identity: CHINESE AMAZON/CAT
Notes: Shampoo is madly in love with Ranma. When doused with cold water she transforms into a cute pussycat—for her feline, see Ranma's one phobia!

Name: **MOUSSE**
Identity: HUMAN/DUCK
Notes: Mystic Mousse wants Shampoo all to himself. When splashed with cold water he turns into a duck. What a quack-up!

RANMA 1/2—

YIN AND YANG WAS NEVER SO MUCH FUN!™

Meet the Tendos: your average run of the mill Japanese family. Along with his three lovely young daughters—Akane, Nabiki and Kasumi—patriarch Soun Tendo is the proud owner of the "Tendo Anything-Goes Martial Arts Training Hall" where literally anything can and will happen.

When old friend Genma Saotome comes for a visit, it seems the long-awaited formal betrothal between one of the Tendo girls and Genma's teenaged son Ranma will finally take place. Youngest daughter Akane—who says she hates boys—is nominated by her sisters for bridal duty.

Unfortunately, Ranma and his father suffered a strange accident on a recent martial arts training trip in China. They both plunged into one of many "accursed" springs which transform the unlucky swimmer into whoever—or whatever—drowned there hundreds of years ago.

From now on, a splash of cold water turns Ranma's father into a furry, great panda, and Ranma, well, Ranma becomes a beautiful, busty young woman. Hot water reverses the effect—but only until the next time.
